

Big Sky Elementary

Billings, MT 59102

Dear Parents & Guardians,

Hopefully you noticed the Xtramath flyer in your child's Thursday folder. This is a great website for students to practice their addition and subtraction fluency. As we move into adding two 2-digit numbers together, it is very important for them to be able to add 1-digit numbers quickly in their head. It would be helpful if they practiced at home, as well, which is why I provided you with a login code that enables me to monitor progress. I will send home updates so you know exactly how they are doing.

On February 14th, we will have a Valentine's party. I will provide bags to decorate to put their valentines. Remember, if your child wants to bring valentines, he/she needs to bring them for the whole class. I have provided a list of names.

Thank you to the families who have provided the class with snack! We appreciate you.

Happy February!

Ms. Zundel
